Dear Mr. Poersch:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line 15 of your reports discloses offsets to operating expenditures from several entities (see attached); however, your report(s) does not appear to disclose a disbursement to, or on behalf of, these entities. Please provide clarifying information regarding this activity and amend your report(s) if necessary.

-Schedule A supporting Line 15 of your reports discloses offsets to operating expenditures from apparent joint fundraising committees (see attached) which appear to be related to expenses paid by your committee for a joint fundraising effort. Please amend your report to clarify which disbursements these offsets are associated with.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee.
